# ABOUT US

SAFECARGO is a freight forwarding company providing worldwide logistics and transportation services.

Presence in Portugal, Angola, Cape Verde and Mozambique, ensuring worldwide coverage based on a network of global partners, which allows us to tailor and optimize service solutions in the logistics chain to meet the needs of our customers.

We have a team of experienced, competent and committed professionals, in search of the best solution for each type of service. We aim to be an ally in the growth of your company and your business, contributing in a sustained way to its expansion.

# AIR FREIGHT / SERVICES

We offer a wide range of air freight services and transit times, working with global airline partners to ensure that your cargo arrives on time.

## CHARTER

Charter flights for all your cargo that do not fall under normal or regular operation.

## AIRCRAFT ON GROUND

AOG services make it possible to send your most fragile parts on the first available flight and arrive at the destination quickly, avoiding financial loss and delays for the operator. In some cases this

service can also be covered by our On Board Courier service if manual delivery to the destination is justified.

**OBC** This service has a dedicated professional monitoring the cargo at all times, from collection to delivery, reducing risks of loss or delays.

# SEA FREIGHT / SERVICES
